

CLASS OF 2010

SENIOR SUPERLATIVE CATEGORIES

Superlatives have long been a yearbook tradition designed to recognize a variety of fellow classmates for personal characteristics that are not necessarily academically related. The following superlative categories have been used in recent yearbooks. In an effort to keep categories interesting and current we will re-evaluate them on a yearly basis. Categories will be determined by committee and approved by the principal prior to a class vote. Please fill out the bottom of this form and submit it to Mr. Eppolito by October 9th. Forms not returned by this time will not be considered. Voting for the categories chosen will take place the week of October 13th, with pictures being taken on October 23rd.
